If you wish to keep this book up to date, alteration sheets may be obtained at 4-5 weekly intervals, by sending a cheque/postal order for £1.25 (due to rises in postal charges) made payable to H. Howells of 44, Stanwell Road, Swinton, M/cr, Lancs.

This will give you a years subscription, and will enable you to keep your book months ahead of other railway publications.

Locomotive Names FOLLOW their respective numbers!

As almost all locos have now been renumbered, we have decided to do away with the * to indicate renumbered locos and instead to mark those which have not yet been renumbered with = sign. (eg 06007=(2426)DT)

This booklet and further editions of it are on permanent sale from the address above. Details of further N.C.T.S. publications, Badges, P.V.C. Covers etc can be found on the N.C.T.S. sales list which is obtainable from Mr. Howells on receipt of a S.A.E. from the above address.
